

FDIAI REGION ONE TRAINING

The Body Is Evidence Too:

Things You Will Want To Do

Presented by:

Jan Johnson, Forensic Pieces, Inc.

Mike Bates, MEO District 14,

And Others TBA

Whether young or old, new or experienced, this training will provide you with the latest, state of the art knowledge and methodologies for treating the body as a valuable piece of evidence while solving your crime puzzles. This training will bring you up to speed on body injuries, evidence recognition, and collection and preservation techniques from bitemarks, maggots, and from the development of latent fingerprints on the body to a good old fashion sexual assault kit. Some of you may be doing these procedures already, however many of you probably have not ever tried or had very much success. Come to this training and we will try to change that!

When: Friday, March 4 9:00 AM – 4:00PM

Where: Okaloosa County Sheriff's Office

50 2nd St. Shalimar, Florida 32579

**Please RSVP to: FDIAI Region One Director Jan Johnson
